# INTUITION, INSPIRATION & IMAGINATION

I'd say he did a fairly good job of telling AI how to render me. Makes me look younger and more handsome! Ouch!

VINYASI
OCT 04, 2026

This is the second installment of a teaser — a rough draft — of what is to become a full-length documentary serving as a biography of my search for some answers behind free anomalous energy and other similar questions.

Download from Google Docs or from my website.
