Update #1: Numbers for the other two Giza pyramids

I have added two new presets to the the app for the other big pyramids of Giza, assumed as being a solid made of 100% Calcium Carbonate

- **Khafre:** First harmonic 8.61 Hz, **10th harmonic 14.06Hz - Schumann second harmonic is 14.3 (varying)**
- **Menkaure:** First harmonic 17.61 Hz, **5th harmonic 20.74 Hz - Schumann third harmonic is 20.8 (varying)**
